MEMBERS

Justin Beger, Tony Filippo, Pamela Milroy,
Anne Gordon Rebmman, Scott Singer

President's Corner

Bernie Wysocki ~ Village President

Six years ago, the Village Board embarked on the biggest project in our short history. Our goal was to repave and improve all the local roads in the Village.

The Board's goal was to complete the road project in 10 years. We estimated that we would be required to pay approximately 1 million dollars per year toward construction costs.

The great news is that we will complete the local roads in just six years. This year's road construction will begin in June as soon as school ends and hopefully be done before school begins in August. Read more details about this summer's road program in this edition of the OakLeaf.

Thereafter we can turn our attention to continue to beautify our Village. Applicants and Homeowner Associations can apply or suggest projects for their specific area. The Village will pay 50% of the costs of the project up to \$30,000.

This is in addition to all the projects already scheduled or to be scheduled for the upcoming year. It is a very exciting time to have so much community involvement. Please continue reading about the exciting new projects we have for the fiscal year in this issue of the OakLeaf.

Once again thank you for your patience during construction season.

Thanks Billy!

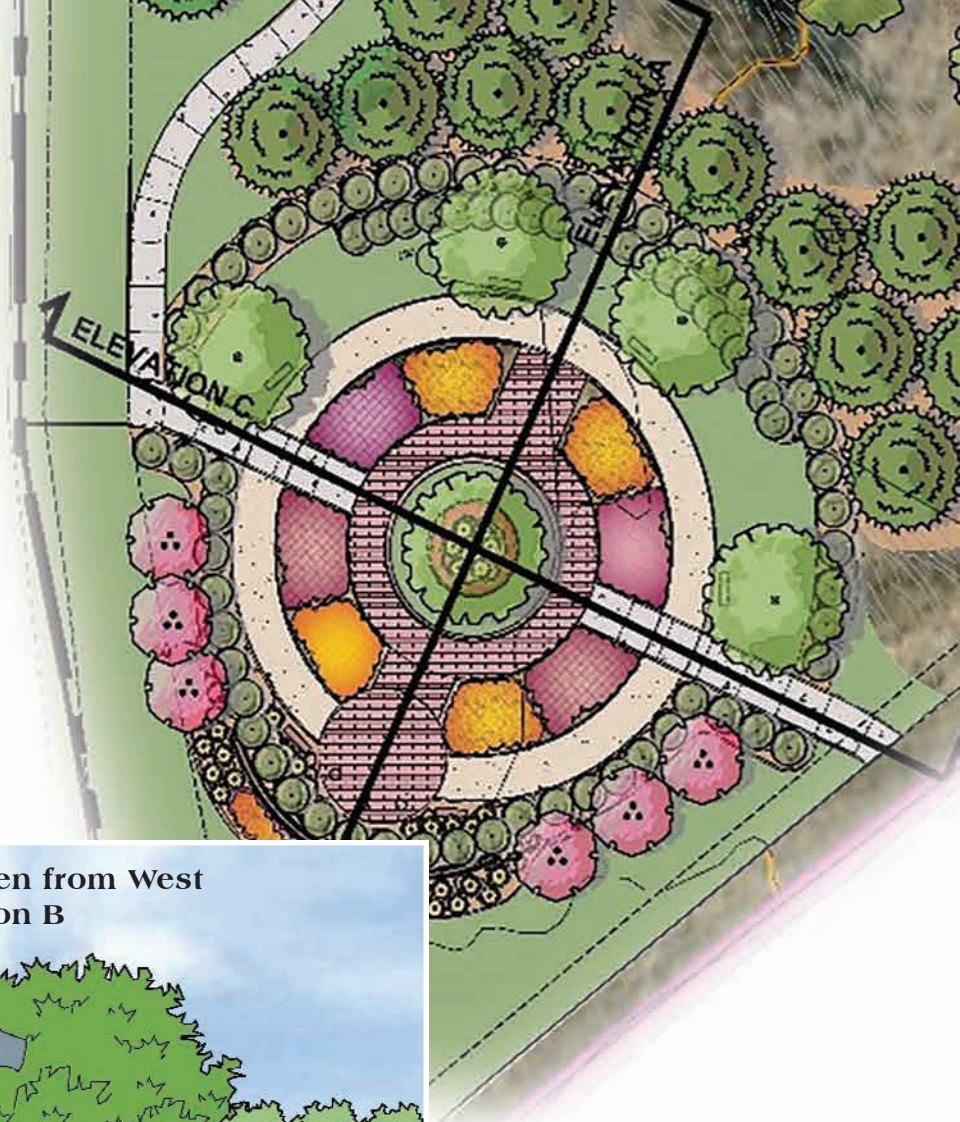

Back in the fall of 2022, Billy Sims for his Eagle Scout project replaced all of the missing and broken wooden slats for the fencing in the parking lot of Lake Kathryn. Fast forward to spring 2024, Billy removed the old, weathered fence for a clean look. Thank you, Billy for making Green Oaks beautiful.

- TIF 10 Year Status Report
- Land Acquisitions
- Rt. 176 Widening (3 Yr) Project Phase 1 ~ Year 3
- Rt. 176 Streetscape Program
- Rt. 176 & Bradley Road Crosswalk
- Bradley Road Ditch Clearing & Storm Sewer Project
- Triangle Parcel Study

BACKGROUND IMAGE:

Recently Improved Saddle Hill II Walking Path

Building & Community Development

Pete Furlong ~ Village Trustee

Recently our friendly law enforcement, the Lake County Sheriff, emailed our Village Administrator, Denise Kafkis, about the success of the Flock Safety Cameras that were installed at the entry points of the Village of Green Oaks. Sergeant Perez wrote:

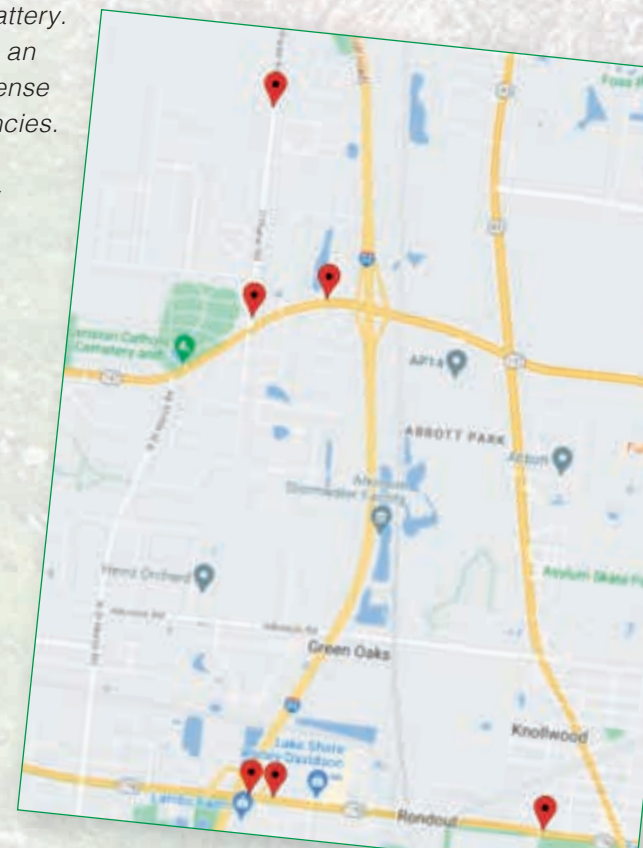

On 3/24/24, LCSO responded to a residence in Ingleside for a Domestic Battery. The offender, left the residence in a vehicle in an unknown direction and to an unknown destination. The offender's information, as well as the vehicle's license plate, were transmitted to personnel within our agency as well as local agencies. One of our deputies used Flock and noticed that the vehicle was captured within the Village of Green Oaks at Route 137 and O'Plaine Rd. The deputy checked the immediate area and was able to locate the vehicle and offender. The offender was taken into custody without incident.

Due to the access our agency had to your Flock cameras, we were able to quickly locate and arrest a violent offender.

Additionally, the Zion Police Department informed local agencies of a vehicle that fled from them on a traffic stop. Although the vehicle has not been captured/located at the time of this email, the vehicle was spotted on one of the Village's Flock cameras.

I am writing this email to show how invaluable your Flock cameras are to our agency as well as others in the area. I hope you also see the benefits that all of law enforcement has by having access to the Village's cameras.

GOTCHA!

Annexation, Planning & Zoning

Rich Glogovsky ~ Village Trustee

2024 Road Improvement Program ~ Year 6

- 
- The Village has identified roads within the Creekside, Brookhaven & Arbor Lakes Subdivisions
 - The roads in Brookhaven were constructed in the late 1990's, Sage Court (Arbor Lakes) and Creekside Path (Creekside) were surfaced in the mid-2000's
 - The scope of the rehabilitation will include a mill & overlay, curb replacement & drainage structure repairs along approximately 1.6 miles of road
 - This year's total construction cost is \$1.1M & will be funded with MFT (Motor Fuel Tax) and General Funds

Public Works

John Wagener ~ Village Trustee

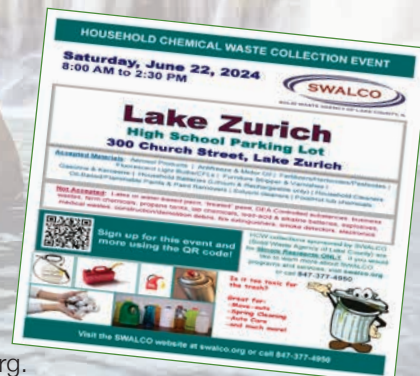

Municipal Water Connections – The Village's Special Service Area Nos. 14 & 15 Watermain Extension project continues to move forward. The Illinois statutorily required public hearing took place on April 4, 2024. The two projects are now in the formal sixty-day objection phase. If more 51% of the owners of record and 51% of the registered voters in these districts object to the establishment of either district, that project will not move forward. Again, this project consists of 2 separate SSA's one located along Cranbrook and another along Kenton. If the project moves forward, homeowners in that area will be able to enjoy the benefits of a consistent reliable municipal water supply. The two projects will continue to move through the required steps as outlined in the Illinois Revised Statutes (35 ILCS 200/27-5) before one or both becomes a reality.

SWALCO Household Chemical Waste Drop-Off

– The Solid Waste Agency of Lake County is hosting its second Household Chemical Waste (HCW) Mobile Drop-Off Event on SAT JUN 22 from 8:00 AM to 2:30 PM, at the

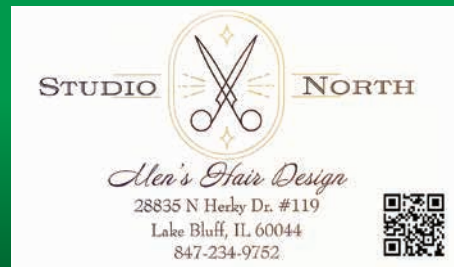

Lake Zurich High School Parking Lot (300 Church Street). SWALCO will accept a variety of common HCW at this event, including cleaning products, oil-based paints/varnishes, flammable liquids, automotive products, and garden chemicals. The HCW Program is for residential waste only. No business, commercial or institutional wastes are accepted. Appointments are required for this event. Visit <https://www.swalco.org/165/Household-Chemical-Waste-HCW> to make an appointment.

If you have any questions concerning public sewer, municipal water, the trail system, storm water management or solid waste and recycling, please feel free to contact your Public Works Committee chair at john.wagener@greenoaks.org.
