Community Spotlight

Our community is accomplishing amazing things! Here are some recent highlights.

The Village of Green Oaks recently participated in Windy City Harley-Davidson's Aug. 22 ribbon cutting event. The event celebrated Windy City's new ownership of the facility located at 14000 W. Rockland Road in Green Oaks. We are excited that Windy City Harley-Davidson is part of the Green Oaks community, and we wish them lots of success!

Lambs Farm hosted its Farmyard Dedication and Ribbon Cutting Ceremony on July 30, to celebrate the completion of the new Farmyard that features beautiful new barn facilities, fencing and paths. Green Oaks Mayor Bernie Wysocki was a featured speaker at the event. "The Village is honored and proud for Lambs Farm to be part of our community. We enjoy our partnership and believe there will be many opportunities for future projects that can continue to expand the vision of Lambs Farm," he said. Be sure to visit Lambs Farm and support this organization that offers amazing services and amenities.

The Village's fourth annual Oaktobefest took place Sept. 12 at Lambs Farm, joining together residents from throughout the community for an evening of family fun and community connection! A big thank you to the residents who attended the event. Our residents make our community the amazing and unique place that it is!
